

**Golf Course Renovation Project References
of A. John Harvey, ASGCA**

Member #183

- **The Mill River Club – Upper Brookville, Oyster Bay, New York^{2/3}**
Remodeling of an 18-Hole golf course originally built in the late 1960s. The majority of all green surrounds, tees and bunkers were rebuilt from 1996-2002. The remaining work, consisting of several bunkers and a few tee complexes are schedule to be completed in 2010.
Project Contact: Steven Sweet, Golf Course Superintendent
Phone: 516-835-1592/516-922-4016
Budget: \$3,200,000
- **Tuxedo Club, Tuxedo Park, New York^{1/2 / 3}**
This remodeling project, consisting of an existing 18-hole, private golf course involves updating a Robert Trent Jones, Sr., golf course facility. Work includes upgrades to the tee complexes, bunker complexes, tree management/planting plans and practice areas.
Project Contact: Tim Garceau, CGCS, Golf Course Superintendent
Phone: 845-351-5391
- **Upper Montclair Country Club – Clifton, New Jersey^{2/3}**
This remodeling project, consisting of an existing 27-hole, private golf course involves updating an A.W. Tillinghast/Robert Trent Jones, Sr., golf course facility. Tee complexes, bunker complexes and practice areas are all part of an ongoing course improvement program.
Project Contact: Bob Dickison, CGCS, Golf Course Superintendent (retired) - Phone: 973-916-5391
Project Contact: Mike Brunelle, Golf Course Superintendent - Phone: 973-417-8199
- **Longshore Club Park Golf Course – Westport, Connecticut³**
The RBA Group's Golf Design Division was commissioned to develop a master plan on this municipally owned, membership driven golf course originally designed by Orrin Smith in the 1920's. The improvement program included reshaping and releveling tees, bunker renovation, drainage updates and new cart paths.
Project Contact: Stuart McCarthy, Director of Parks and Recreation – Phone: 203-341-5088
Dan E. Rackliffe, CGCS, Golf Course Superintendent – Phone: 203-341-5072
Budget: \$2,100,000
- **Century Country Club – Purchase, New York³**
This private, 18-hole Club, originally designed by Colt & Alison, hired The RBA Group's Golf Design Division to develop a master plan program to strategically phase course improvements over several years. Work includes expanding, adding and releveling tees, practice area and short game improvements, bunker restoration and drainage projects.
Project Contact: Kevin Seibel, Golf Course Superintendent
Phone: 914-949-0736
Approximate Budget: \$2,300,000
- **North Jersey Country Club – Wayne, New Jersey³**
NJCC hired The RBA Group to produce a master plan for this Walter J. Travis designed golf course. Initial work includes new teeing complexes along with reconstruction of the practice fairway and short game areas.
Project Contact: Dave Dudones, Golf Course Superintendent
Phone: 973-942-0566
Approximate Budget: \$950,000
- **Brae Burn Country Club – Purchase, New York³**
This private, 18-hole club located in Westchester County hired the RBA Golf to develop a Master Plan and oversee renovations to its course originally designed by Frank Duane, ASGCA in the 1960's. Work includes bunker renovation, green expansion, pond dredging and tee work. Future plans call for significant project hole work on the 4th, 6th, 15th and 18th holes along with improvements to practice areas and range.
Project Contact: Blake Halderman, CGCS, Golf Course Superintendent
Phone: 914-946-1074
Approximate Budget: \$3,500,000
